Call a board member  
if you would like to  
volunteer. Help us grow!

Hello Friends!

It's hard to believe that spring is just around the corner. That also means it is time for road construction. As many of you know, the much-anticipated start of the GV road construction project is slated to begin this summer. All Ledgeview businesses recently received a survey from me. I heard from many of you and we are now compiling the results.

I am in the process of forming a committee of Ledgeview business owners who are willing to openly share their concerns regarding the economic impact of this project with the leadership of Brown County and the Town of Ledgeview. Please contact me directly if you are interested in joining me in being the voice of the Ledgeview Business Association.

I would be remiss if I did not take this opportunity to thank each and every one of our board members and committee volunteers for their commitment to the Ledgeview Business community. It was only a few months ago that a small group of folks got together to discuss the opportunity of getting the Ledgeview Business Association re-started. In a short period of time we have

grown to more than 70 networking members, created a new Board of Directors and initiative focused committees, we've developed a website, a discount program, a new LBA logo, and we look forward to serving as the voice of the Ledgeview business community.

As always, your feedback is welcome!

Deb Wiesner  
President, LBA

Membership is only \$35 per year. LBA membership is open to all Ledgeview businesses or to residents who live in Ledgeview but operate a business elsewhere. Join today!

This newsletter is distributed to over 2,700 homes and businesses in Ledgeview.

### Our Mission:

The Ledgeview Business Association helps advance the businesses of Ledgeview through developing our town as a business destination and providing members with opportunities for learning, networking, and socializing. We support and promote our collective business interests through our relationship with local government.

Through the efforts of the LBA, the community will benefit by having a healthy business environment that is conducive to business, social events and living. The LBA is committed to creating an attractive and vibrant atmosphere in Ledgeview for visitors and residents alike.

## New logo designed by local residents

Congratulations to William Papham, a junior at De Pere High School, and Yolanda Hernandez, owner of YoGrafix, winners of the Ledgeview Business Association logo and tagline contest. William created the new logo, shown above, and Yolanda composed the tagline, *The Ledge of Opportunity*.

William and Yolanda received gift certificates and plaques at the March 9 Ledgeview Business Association general meeting.

After reorganizing in the fall of 2009, the leadership of the LBA hosted the contest and solicited the help and input of the community to redesign its logo and tag line. Almost 200 submissions came in from local students, businesses and community members.

William participated in the contest as part of his graphic arts class taught by Marie Zoelle.

## LBA developing new Discount Program

A discount program will benefit both Ledgeview businesses and residents. If you are interested in participating, check [www.LedgeviewBusiness.com](http://www.LedgeviewBusiness.com) or call one of the LBA board members. Watch for news regarding when cards will be available for sale. LBA members receive free cards.
